Thank you for your cooperation this morning. I hope that everything was as clear as possible.

I just update the website with everything you will need (especially if you do not have anything with you at home)

Please do pages 209-214 by Monday night and submit to me as a file or pictures (whatever is easiest for you). If you can't figure this out, you can just show it to me on Tuesday morning on your camera.

I will go over the answers on Tuesday when we meet again at 8:30am.

I will send you a link to our meet on the Remind app again like I did this morning.

Have a great weekend and stay healthy!

Mr. Romano
